

I would not like the Indiana Telephone Privacy Law changed as I am no longer getting constant calls from telemarketers which are very annoying. I feel if I want to engage in some of these offerings, I would do it on my own. My time is my time and I don't want to be bothered! I added my name to the list of people wanting to be taken off the telemarketer listings as soon as I heard about it. I couldn't wait to no longer receive the calls!
